

# Glorify the Father

By Steve Pruitt

*By this My Father is glorified, that you bear much fruit; so you will be My disciples.*

John 15:8 NJKV

Man was created for two reasons; to multiply and have dominion. God made Adam and Eve in his image and told them to be fruitful, multiply and have dominion. The Hebrew Bible translates Genesis 1:27 like this: *And the Great Powerful One filled the man with a representation of himself.* Man's task, therefore, was to fill the earth with a representation of God and the rule of God. They were to be image bearers. They were to fill the earth with the likeness of God.

Kay Author wrote a book a few years ago in which she gave a wonderful definition of what it means to glorify God. She said that to glorify God means to give the world the correct opinion of what God is like. In other words when others look at our values, character and behavior they will be able to say, "That is what God is like." This is the essence of true worship.

Because of sin Adam and Eve could not fully carry out the mandate God gave them. No longer could they give a proper representation of God, so God made another way; he sent his Son, Jesus. Paul wrote to the Colossians speaking of Jesus, *He is the image of the invisible God, the firstborn over all creation.* (Colossians 1:15) *For in Him dwells all the fullness of the Godhead bodily.* (Colossians 2:9) Jesus said, *...for the Son of Man has come to seek and save that which was lost.* (Luke 19:10) What was lost? Man's ability to be an image bearer. Jesus, the second Adam, came to earth to show the world what God is like and to restore man's ability to bear God's likeness. He accomplished this by sharing the words of God and doing the works of God.

Before Jesus was crucified he said to the Father, *I have glorified You on earth, I have finished the work which You have given me to do. And now, O Father, glorify Me together with Yourself, with the glory which I had with You before the world was.* (John 17:4-5) He gave the world the correct opinion of what God is like. Our purpose for existence is no less the same.

The Westminster Catechism lends credence to this by declaring, "The chief end of man is to glorify God and fully to enjoy him forever."

When people look at your life do they see the image of God? Is the chief end of your life to glorify God? Ask God to produce in you the fruit you need to give the correct opinion of what he is like.
