

# It's Only You

Written by Steve Pruitt

A2                    D2

One thing I have desired

A2                    D2

One thing I will seek

A2                                    D2

To dwell in your house forever, Lord

A2    E                    D2

To behold your beauty

F#m    E                    D2

To behold your beauty

A2

Cause it's only you

E                    D2

Who fills my heart's desires

A2                    E                                    D2

It's only you who fills my hunger pains

A2                    E                                    D2

It's only you my passion and my thirst requires

F#m                    E                    D    A

It's only you, only you, only you
