

# **Shout and Sing**

Written by Steve Pruitt

A            E                    D                    A  
Enter his gates with thanksgiving in your heart

                  E                    D-E  
Enter his courts with praise

A                    E                    F#m                    D  
Make a joyful noise to the rock of our salvation

                  Bm F#m   E   Bm F#m   E  
For he is our God, he is our God

A                    E   D                    E  
Shout and sing, shout and sing

D                    E                    D-E  
Sing of the goodness of the Lord

A                    E   D                    E  
Shout and sing, dance before the King

                  D                    E                    D-E-A  
For his mercy endureth forevermore
