

Desperately

Written by Larry Lloyd

**I will run to you, Lord
In my sorrow, in my joy
You will always comfort me
In the shadow of your wings**

(chorus 1)

**Desperately I come before you
My Jesus I need you
'Cuz only you can still the storm
That's raging in my soul
Desperately**

**You are there when I call
When I stand, when I fall
When I'm strong, when I'm weak
You are everything I need**

(chorus 2)

**Desperately I come before you
My Jesus I need you
'Cuz only you can still the storm
That's raging in my soul
Desperately I long to know you
I'm so hungry for you
Like the peace I seek
Like the air I breathe
I am desperate for you
So desperate for you**
