

Forever I Will Praise You

Written by Steve Pruitt

**You became the ransom, Lord
You became the price
To redeem me to the Father
By your blood
You became the sacrifice
To set this captive free
I will praise you, Lord, for all eternity**

**Forever I will praise you
Forever I will love you
Forever I will worship you, my Lord
Forever I will bless you
Forever I will serve you
Forever I will worship you, my Lord**
