

Holy, Worthy Are You Lord

Words and Music by Rebecca Smith

Holy Lord , I come into Your presence
I bow before Your throne
For God You are so awesome in this place
And I long to see Your face

I cry holy, worthy are You Lord
I cry holy, worthy are You Lord

I fall before You crying holy
I stand in awe of Your presence
Send Your glory as we sing and praise Your name
For our God is worthy of our praise

I cry holy, worthy are You Lord
I cry holy, worthy are You Lord

We will seek Your face
And give You all our praise
For You are so awesome in this place
