

# **Rescued**

Words and Music by Rebecca Smith

You have rescued my heart  
And given me a brand new start

(Repeat)

And I will never stop loving You  
For You are everything to me my Lord

(Repeat)

You have rescued my soul  
Brought me to You and made me whole

(Repeat)

And I will never stop praising You  
For You are everything to me my Lord

(Repeat)
