

# **Run To You**

Written by Larry Lloyd

**I come to humbly bow and pray  
To worship at your feet today  
'Cuz your love took my heart away  
And under your shadow I'll stay**

**Softly, gently you're calling me  
Jesus, Savior I come**

**And I  
I surrender all  
Holding nothing back from you  
Now you  
You are my life my all  
And I will always run to you  
Run to you**
