

# True Satisfaction

Words and music by Rebecca Smith

I am Your child  
And You are my Father  
You alone  
You alone

You are my Comforter  
You speak peace to my soul  
And where You are  
Is where I want to be

You're all I've ever needed  
You're all I need  
Only You, Lord  
Only You, Lord  
Only You

Too many times I focus  
On what is not divine  
But I want You to be the One in my view  
To be mine , and spend eternity with You

You're all I've ever needed  
You're all I need  
Only You , Lord  
Only You , Lord  
Only You

There is none like You  
I know it's true  
That You're all I've ever needed  
You're all I need
