

We Love You

Written by Steve Pruitt

**Alleluia to the Lord my God
Alleluia to the Prince of Peace
To be in your presence
Is our great desire
To feel your love
And to see your awesome power**

**We lift our hearts in worship to you
We praise you, Almighty One
We lift our hands in honor to you
With passion we worship your son**

**We love you, we love you, Lord
We love you, we love you, Lord**
